**STIPULATION RE: IN-PERSON
 SETTLEMENT DISCUSSION
 DEADLINE**

XXXXXXXXXX **] ORDER**

Pursuant to Civil Local Rules 6-2 and 7-12, Plaintiff Life Technologies Corp. ("Life Technologies") and Defendant Pacific Biosciences of California, Inc. ("PacBio") (collectively "the Parties"), through their respective counsel of record, respectfully request that the Court grant an extension of the September 7, 2011 deadline for the Parties to conduct the in-person settlement discussion set forth in the Court's August 10, 2011 Minute and Case Management Order. PacBio identified dates on which it could be available to conduct an in-person settlement discussion prior to September 7, 2011, but Life Technologies is unavailable on any of the identified dates. The Parties' corporate representatives will be able to conduct the in-person settlement discussion on or before October 19, 2011, in Northern California, before the October 21, 2011 mediation deadline.

The Parties' requested time modification will not impact any other dates on the current case schedule. The Parties hereby request that the current schedule be modified as follows:

Event	Current Date	Proposed Date
In-person settlement discussion	September 7, 2011	October 19, 2011

Respectfully submitted,

Dated: September 2, 2011
